

NEW AND IMPROVED RECIPE!

Anchored's Max Strength Dark Chocolate Mint bar now has a new recipe! We're very excited about the new formulation, and we're sure that you'll love it! We wanted to maximize the flavors in these bars, and that's why we've used Belgian dark chocolate in combination with Crème De Menthe to really kick the flavors up a notch.

As well as flavor, we've also made efforts to increase the effectivity of the product. We've added a healthy amount of cocoa butter in the bar to help carry the hemp-derived delta 9 to your bloodstream.

These chocolate bars are sure to satisfy, and the new formulation should ensure you have a positive, effective experience that keeps you coming back for more!
